

## **Request for time slot for applications via the Decentralised Procedure (DCP) with Slovenia as Reference Member State (RMS)**

Agency for Medicinal Products and Medical devices of the Republic of Slovenia (JAZMP) participates in the decentralised procedure as a concerned and as a reference member state (RMS). JAZMP is receiving more requests for RMS time slots than the agency is able to accommodate. In order to avoid double bookings in EU MSs and to ensure a distribution of time slots as reasonable as possible, the common request form to apply for RMS has been agreed by Heads of Medicines Agencies (HMA). To request Slovenia to act as a RMS the [request form](#) should be sent to the following address: [mrp\\_dcp@jazmp.si](mailto:mrp_dcp@jazmp.si). The applicant is also requested to provide the list of Concerned Member States. The JAZMP will reply to the request as soon as possible. Applicants are asked to send a request no later than 6 months before planned submission.

Please be informed that time slots for 2009 and 2010 are fully booked. JAZMP will be open up for new requests according to the following schedule:

- 1 – 30 June 2010
- 1 – 31 October 2010

The website will be updated when new information becomes available.
