

Install on iPhone/iOS/Safari

- 1** Scan QR code
Demo / test cases only

- 2** Add DNUZ to home screen

iPhone/Safari: Choose action, Add to Home Screen
- 3** DNUZ now appears as an app

Install on Android

The prompt to download DNUZ as an app is only sent the first time the webpage is visited. If a user wants to download the app at a later stage the process is:

- 1** Scan QR code
Demo / test cases only

- 2** Click the three dots in top-right corner
- 3** Chose *Install app*

- 4** DNUZ now appears as an app
