

How to raise questions

In order to raise a question regarding procurement of JAZMP Central Information System, procurement procedure no. JN004884/2018-B0, the bidder should first click on this address: https://www.enarocanje.si/Obrazci/?id_obrazec=264486

Then, click on »**Dodatna pojasnila**« on the upper right side of the notification.

The screenshot shows the eNAROCANJE portal interface. At the top, there is a navigation bar with the logo 'eNAROCANJE' and the text 'REPUBLIKA SLOVENIJA MINISTRSTVO ZA JAVNO UPRAVO'. Below the navigation bar, there are several tabs: 'Pregled objav', 'Pregled odločitev', 'ESPD', 'Pregled pogodb', 'O portalu', 'Aktualno', and 'Kontakt'. On the right side, there is a 'Uradni list' logo and a link to 'Aplikacija PJN'. The main content area displays a notification for 'JN000171/2016-W01 Obvestilo o naročilu male vrednosti (NMV1)'. A red arrow points to the 'Dodatna pojasnila' button next to the notification title. Below the notification, there is a section for 'I.1 Ime in naslovi' with contact information for 'MESTNA OBČINA KOPER'. On the right side, there is a 'Prijava za naročnike' section with a login form and a 'Prijava' button. Below the login form, there is a 'SEMINAR' section for 'Praktična delavnica za ponudnike po ZJN-3' on '18. april 2016' in 'Rotonda, Ljubljana'.

Scroll down to the end of the list of questions and answers that appears. Click on the blue button »**Pošlji vprašanje naročniku**«. It is important to note that questions can only be raised until the deadline for questions.

The screenshot shows the 'Dodatna pojasnila' section. It contains the text 'Objavljenih še ni nobenih dodatnih pojasnil.' Below this text, there is a blue button labeled 'Pošlji vprašanje naročniku'. A red arrow points to this button. To the right of the button, there is a timestamp: 'sprejem ponudnikovih vprašanj do 20.04.2016 11:00'. Another red arrow points to this timestamp.

The bidder can write the question in the field. The question must contain at least 20 characters. Lastly, click on the »i am not a robot« tick box and then click »**Pošlji vprašanja**«.

Text vprašanja (mora vsebovati najmanj 20 znakov)
